IRISH MESH PANELS—With Ivory, ch 39, 1 sc in 4th st from hook for a 4-ch p, ch 8, a 4-ch p, ch 3, 1 sc in 11th ch st previous to 1st p, (ch 6, p, ch 8, p, ch 3, 1 sc in next 8th ch st) twice.

3d Row—Ch 6, p, (ch 8, p) twice, ch 3, turn, 1 sc in last p on "Fan", ch 6, p, ch 8, p, ch 3, sk center p on "Fan", 1 sc in next p, ch 6, p, ch 8, p, ch 3, 1 sc in center st of next p-loop.

As the Heading Row on each side of Panel will shorten Irish Mesh considerably, allow slightly more than 8 rows of Mesh to balance each Block in Greek Key Panels. Plan to finish Panel with 2 rows of Mesh following final "Fan" Row.

Heading Row—Join Ivory to the 3d ch st previous to 1st p in 1st row of Mesh at top of Panel, ch 3 in place of a dc, (ch 9, 1 dc in center st of next p-loop along the side of Panel) repeated to next corner. Finish with 6-ch and a sl st in starting ch st of Irish Mesh. Fasten off.

2d Row—Join to 3d st of 12-ch at start of last row, ch 3, a 2-dc-Cluster in same st, (ch 2, a 3-dc-Cluster in next 3d st) repeated to next corner of Panel. Fasten off. Make this same row along opposite side of Panel.

Stretch and pin down Panels on a padded ironing board or table and steam with a wet cloth and hot iron, then press thro a dry cloth until perfectly dry. Make and sew Panels together alternately for required size of Spread.

Repeat from * around, joining final p-loop to 3d st of starting loop.

3d Row—Ch 3 in place of a dc, * ch 6, p, ch 1, (2 tr, p, 2 tr, p, 2 tr, p and 2 tr) in center of next p-loop, ch 5, p, ch 3, 1 sc in next p-loop. Repeat from * around making a dc in dc at each corner, between Fans. Fasten off.
DANGLES—(Ch 6, 1 sl st in 1st st of this 6-ch) 9 times, a 3-tr-Cluster at base of 5th p, (a 3-tr-Cluster in same st) twice, 1 sl st at base of 1st p, remove hook, insert back in top of 1st Cluster, catch loop and pull thro, drawing up tight, making a Popcorn, ch 8 and fasten off. Make half the Dangles in Ivory and half in Green. Hang one from the center p of each "Fan" on edge of Spread and one from dc at each corner—alternating colors.

To fill in the 3 "Vs" between every 2 Arrowheads, join Lavender to the left-hand top corner of 1 Arrowhead, ch 4, 1 d tr half-way down side of Arrowhead, 1 d tr across halfway up next side of "V", ch 4, 1 sc in next corner, ch 15, marking the 11th st with a pin, sk 4 sts down long side, 1 tr tr (thread over 4 times and work off in twos) in next st, ch 4, sk 4 sts, 1 tr tr in next st, (ch 4, sk 4 sts, 1 d tr in next st) twice, (ch 4, sk 4 sts, 1 tr in next) 3 times, ch 4, sk 4 sts, 1 dc in next. Now, starting at the 2 marked sts, sew the two halves of the work in the large "V" together, down as far as the d tr at bottom of "V", going thro 1 loop of each st, and being careful to keep the tr tr, d tr, tr and dc exactly opposite each other. Fill in remaining 3 sides of Block similarly.

On tissue paper, draw a true square slightly larger than finished Block. Stretch and pin Block right-side-down on this pattern on a padded ironing board and steam with a wet cloth and hot iron. Then press thro a dry cloth until perfectly dry.

Join Blocks by sewing together across the Lavender Sections. This leaves square openings at corners between Blocks—the top of an Arrowhead forming each side of square.

(See page 5)

New Star Design Bedspread No. 432

MATERIALS—Lily Antique Bedspread cotton, in Cream color. No. 5 Crochet hook. A large size Spread requires 15 skeins. The blocks, which are made separate, are to be crocheted to each other while working the last round. Each block measures about 8½ inches.

BLOCK—Ch 12 and join.

1—Ch 3 for first t, then make 1 t in each of next 3 sts, ch 5 for corner, and make a t in same st as last t, 1 t in each of next 3 sts, and repeat.

2—Ch 3 for first t, and make 1 t in each st of previous rnd, inserting hook in the back st only. At corners ch 5, and make a t in same st as last t.

3—Ch 5, to count as a t and 2 ch sts, skip 2 sts and make a t in 3rd st, ch 2, skip 2 sts, t in 3rd st, and repeat. Work corners same as in previous rnd.

4—Same as 3rd rnd.

5—Same as 2nd rnd.

6—This is simply another rnd of t sts.

7—Counting from corner, make 17 sc, inserting hook in the back st only, then ch 10, skip 6 sts, and then work 17 sc up to the next corner; at corner ch 1 and make another sc in same st as last sc; repeat.

8—Counting from corner, make 15 sc, then work 17 t sts over the large ch loop, again make 15 sc. Work corners same as in previous rnd.

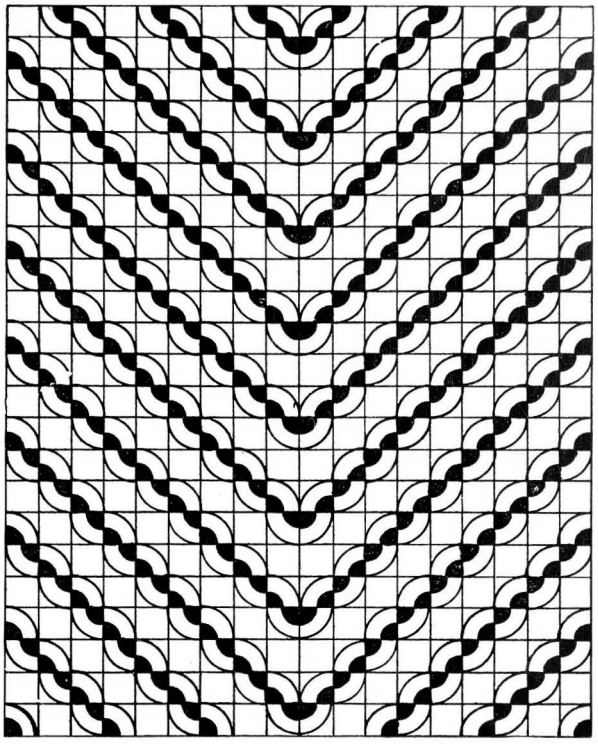
9—13 sc, ch 2, skip first t and make a t in next st, ch 2, skip 1 st, t in next st; repeat.

10—11 sc, ch 3, then make a t in top of each t of previous rnd, and ch 3 between these t.

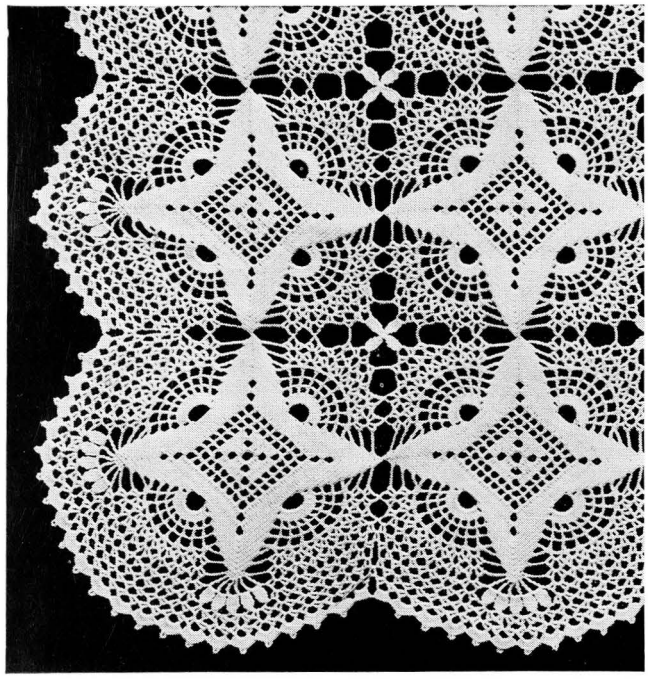
11—9 sc, ch 4, make a t in top of each t, and ch 4 after each t.

12—7 sc, ch 4, then make 1 sc in last st of the ch, 1 in top of the t, and 1 in first st of next ch, then make a loop of 5 ch sts, 3 sc as before, and repeat.

13—5 sc, ch 5, make a t in the outstanding loop, ch 1, t in same loop, ch 4, t in same loop, ch 1, and make another t in same loop, but do not finish this t, instead, draw the thread through the first 2 loops only, so that 2 loops will remain on the hook; then make a t in next outstanding loop; and work off these 2 t together.



"LINK CHAIN" BEDSPREAD NO. 426
Detail for Joining of Blocks for Entire Spread
(See page 5)



14—3 sc, ch 6, make a t in the outstanding loop, ch 1, t in same loop, then ch 5, t in same loop, ch 1, t in same loop; repeat. This completes the block. To correctly join the blocks the design should be studied carefully. The second block is to be joined to the first one by 4 of the outstanding loops, and also by the star points. Proceed in the following manner: ch 3, join to corresponding loop of first block, ch 3, and continue in the usual way. The star points are joined thus: ch 1, join to star point of first block, ch 1, etc.

To fill in the open spaces between the blocks, attach others to middle one of the 3 free outstanding loops. Ch 4, to count as a t and 1 ch st, make a t in same loop, ch 5, t in same loop, ch 1, t in same loop, then make a t in next outstanding loop, ch 1, t in same loop, ch 5, and then make 2 t with 1 ch st between them in first outstanding loop of next block; repeat. Then ch 6 for first trip t, and make a Cluster of 4 trip t, working same off together, in each of the 4 outstanding loops. Fasten off neatly.

The edge that runs around the outside of the Spread can easily be copied from the design. The stitch is merely a continuation of the last 2 rnds of the block. Therefore only the petal design which is worked into the star points needs further explanation.

1—After last t of last outstanding loop, ch 2, make a trip t in first sc of the star point, then ch 3, trip t in next sc, 5 times, (6 trip t in all), ch 2 after last trip t, and continue in the usual way. Where blocks are joined make the usual 2 t with 1 ch st between them over the connecting loop of this block, ch 1, and then make the 2 t with 1 ch st between them over the connecting loop of next block.

2—After last t of last outstanding loop, ch 2, then make a petal of 4 trip t over each one of the 5 ch, and ch 5 after each petal; after last petal ch 2. Where blocks are joined make 2 t, with 1 ch st between, in the 1 ch st of previous rnd.

3—This rnd is the same as last rnd of block. Where blocks are joined work only 2 t, with 1 ch st between, over last outstanding loop of this block, ch 1, 2 t, with 1 ch st between, over first outstanding loop of next block.

4—Same as 3d rnd. Where blocks are joined proceed in same manner as in 2d rnd.

5—Work the solid scallops thus: 4 t, then make a picot of 5 ch sts on top of 5th t, 4 t. Where blocks are joined make 5 t over last outstanding loop of this block, ch 1, 5 t over first outstanding loop of next block.
